

VME VALVES

Water Valves Product Overview

"Partnering With Innovation & Perfection"

VME Valves Factory LLC

Water | Water Treatment | District Cooling | Desalination

“Industrial Valves manufacturer in UAE for Middle East customers”

Your Local Manufacturer With a....

Commitment to provide high quality and cost-effective products along with best suitable engineering solutions & support to help our customers achieve their operational efficiency.

Gate Valves

- Resilient Seated Gate Valves
- Metal Seated Gate Valves
- Knife Gate Valves

DN 50 to DN 1000

- Pressure Class: PN 10/16/25
- End Connections: EN 1092 / ASME B16.5
- Face To Face: EN 558
- Testing: EN 12266

Butterfly Valves

- Double Eccentric Butterfly Valves
- Concentric Butterfly Valves (Flanged, Lug and Wafer Type)

DN 50 to DN 1800

- Pressure Class: PN 10/16/25
- End Connections: EN 1092 / ASME B16.5
- Face To Face: EN 558
- Testing: EN 12266

Quarter Turn Valves

- Ductile Iron soft seated Ball Valves
- Eccentric Plug Valves

DN 50 to DN 300

- Pressure Class: PN 10/16
- End Connections: EN 1092 / ASME B16.5
- Face To Face: EN 558
- Testing: EN 12266

All our valves are coated with fusion bonded epoxy and with stainless steel internals for a high level of corrosion protection, with all the materials certified for potable water use.

*State-of-art manufacturing facility located in
KEZAD, Abu Dhabi, UAE*

*Within our facility, all disciplines are integrated into
one flexible R&D, engineering and production unit.
Quality, reliability, performance and timely deliveries
are always our main priority to provide our best
services for our customers.*

Air Valves

- Double Chamber Air Valves
- Single Chamber Air Valves

DN 50 to DN 300

- Pressure Class: PN 10/16/25
- End Connections: EN 1092 / ASME B16.5
- Face To Face: EN 558
- Testing: EN 12266

Check Valves

- Resilient Seated Swing Check Valves
 - Metal Seated Swing Check Valves
 - Tilting Disc Check Valves
 - Dual Plate Check Valves
- DN 50 to DN 1000

- Pressure Class: PN 10/16/25
- End Connections: EN 1092 / ASME B16.5
- Face To Face: EN 558
- Testing: EN 12266

Mechanical Fittings

- Dismantling Joints
- Flange Adaptors
- Couplings
- Step Couplings
- Basket Strainers

DN 50 to DN 1800

- Pressure Class: PN 10/16/25
- End Connections: EN 1092 / ASME B16.5
- Face To Face: EN 558
- Testing: EN 12266

The quality control process we follow, ensures that our products & procedures are adhere to international quality & safety standards. We aim for zero percentage rejection while remaining cost effective and competitive.
